

Neo-Metro® Custom Project Completed

National September 11 Memorial Museum

1 Audrey Zapp Drive, Jersey City,
New York 07305

"We are proud to have contributed even a small part to this magnificent memorial. It has been a humbling experience working alongside such dedicated teams of contractors, architects and plumbers."

Jeff Showalter,
Sales Manager, Neo-Metro

- Customized Neo-Metro straight front wash basins with built-in trash receptacles.
- The seamless design is sleek and elegant, yet it does not draw attention to itself.
- Customized trash receptacles are formed from one piece of heavy duty stainless steel construction.
