

### **NEO-METRO DUAL FLUSH PUSHBUTTON INSTALLATION**

Refer to Geberit® Concealed Flush Tank installation instruction sheet and complete installation steps up to and including step 9. Position and secure mounting channel to wall with Geberit® Actuator Retaining Frame and continue with Geberit® installation steps 10 through 12. After step 12, attach cover plate assembly by aligning the mounting tabs with the slots on the mounting channel. Secure cover plate assembly with set screws on the bottom of the cover plate assembly frame, (set screws provided). Test flush options.
