# Contour Toilet Wall Supply

**PRODUCT Specification . . .** The Contour Toilet is a commercial-grade, siphon-jet toilet, manufactured of 16-gage, type 304 Satin Finish Stainless Steel (Standard). Mira Finish (High Polish) is optionally available. The fixture shall operate with a wall supply (concealed) flush valve (sold separately). The toilet bowl is punched for an elongated seat with 5-1/2" (140 mm) mounting centers (sold separately). The fixture meets ASME/ANSI A112.19.2. The trapway can pass a 2-1/8" (54 mm) ball. Off-Floor toilets (8955-W-1 series) are manufactured with a 13-3/4" (336 mm) overall height but are mounted 1-3/4" (44 mm) off of the floor. On-Floor toilets (both 8955-W-2 and 8955-W-3 series) are manufactured with a seat height of 15" (381 mm) and are wall mounted with the base resting on the floor.

480 mm) above finished floor. An ADA compliant flush valve is available (sold separately) when specified. ADA compliance is subject to the interpretation and requirements of the local code authority.

**PLUMBING Specifications . . .** The Contour Toilet with Wall Supply is configured for a concealed flush valve and includes a 1-1/2" NPTI flushing inlet connection at the rear of toilet housing. The concealed flush valve utilizes a commercial 1" (25 mm) water supply line. Wall waste toilets (8955-W-1 and 8955-W-2) shall be mounted on the wall with a wall waste rough-in 5-1/2" (140mm) above finished floor. The floor waste toilet (8955-W-3) shall be mounted to finished wall with a floor waste 4-1/4" (108 mm) from finished wall.

 The flood rim of ADA On-Floor models fixtures are 18" (430 mm) above finished floor. Off-Floor models may meet compliance if the unit is mounted with a seat height between 17" to 19" (430 mm -

**8955-W-1**  
(Wall Supply Toilet -  
On-Floor, Wall Waste)

**ADA COMPLIANCY**

Model 8955-T-1 toilet can be used to meet ADA compliance if the seat height of the toilet is raised to 17" to 19" (430 mm - 480 mm) above finished floor. Compliance is subject to the interpretation and requirements of local code authority. Please check your local ADA regulations.
