INSTALLATION INSTRUCTIONS ARE AVAILABLE

PRODUCT Specification . . . This cistern flush style toilet is designed to work with a Geberit® concealed tank and carrier system (tank and carrier sold separately). The toilet features a patented*, exposed, decorative, geometric P-trap with a floor waste rough-in 12" (305 mm) from wall. Toilet is fabricated from 16-gage, Type 304 stainless steel. Bowl is elongated and shall be punched for a standard toilet seat with 5-1/2" (144mm) mounting centers. Seat is sold separately.

PLUMBING Specification . . . This residential toilet must use a Geberit® Concealed Tank and carrier system. Geberit® carrier requires 19-3/4" (502mm) clearance between 2" x 6" (51 mm x 152mm) wall studs. Tank releases .08 or 1.6 Gallons (3.0 or 6.0 Liters) per flush using Neo-Metro® Dual flush Panel. Water supply inlet is within wall.
