SS WEDGE Stainless Steel Trough

SS Wedge Trough Basins

SS Wedge Wall Mounted Hand Wash Trough

Neo-Metro® by Acorn's Stainless Steel Wedge Hand-Wash Trough provides a durable, hand wash basin to serve one to four users. The design is perfect for high traffic restrooms and incorporates a Wedge basin to provide users with ample personal space while reducing wet, slippery floors. Its sleek appearance features a polished stainless steel finish with rounded corners and an Enclosure to conceal all plumbing and provide access for ease of service. The Wedge Trough is available with all the options needed for a complete unit. Fixture complies with ANSI, UFAS, CBC and ADA 2010 requirements for accessibility. (Compliance is subject to the interpretation and requirements of the local code authority.)

Troughs are wall mounted and available in several widths to accommodate one to four persons. Deck is pre-drilled at each station with (3) hole punching for a 4" Centerset for a Faucet (shipped loose) and includes a Ø1-3/8" knockout for Soap Dispenser to be installed at a later date, if required. Mounting includes "S" clip brackets provided at each station and mounting points in housing for 1/4" hardware to be provided by others. Basin is formed to facilitate drainage and includes punching to accept a 1-1/2" Drain Assembly. Unit is fabricated from 16 gauge, type 304 stainless steel with exposed surfaces polished to a #4 satin finish.

Faucet selections are optionally available and include: Single Temp Battery Powered Sensor Operated Faucet with Stainless Steel "J" Spout and Deck Plate for 4" Centerset punching; Hot and Cold Gooseneck Spout with Wrist Blade Handles; Hot and Cold Sink Spout with Wrist Blade Handles; Single Temp Pushbutton Metering Spout and Deck Plate for 4" Centerset punching. Faucets are intended for 4" Centerset punching provided on Trough. All Faucets meet NSF and Lead-Free Standards and include a 0.5 GPM (1.9 LPM) Flow Control.

Soap Dispensers are optionally available and include a Top Fill, Hands Free, Sensor Operated design and Pump Soap Dispenser.

Enviro-Glaze® Powder Coated Color is optionally available to provide a functional alternative to stainless steel finish and is provided for Trough and Trap Cover.

Additional Accessories include a Daisy (Drain) Strainer with Tailpiece and a P-Trap Assembly made of Plastic or Chrome Plated Brass.
