All Neo-Metro Cerine Series products specified on this sheet are constructed using natural wood. As in nature, variances in color do occur. Be advised that Neo-Metro has taken care to match colors as closely as possible. However, there may be some exceptions. Cerine solid wood samples are available upon request. Contact Neo-Metro.

PRODUCT Specifications . . . Console table shall be fabricated with a heavy gage 304 stainless steel counter top surface. Both legs and support frames are constructed of stainless steel rectangular tubes. The sides and shelving slats are 3/4" (19 mm) thick solid wood. Wood choices include bamboo (standard), Cherry (-LTW) and Mahogany (-DKW). The console table ordered with the Cerine Vessel includes a hole for the drain and holes to mount the vessel. Console table measures: 35"(L) x 24"(W) x 31-1/2"(H) (890 mm x 610 mm x 800 mm). Console table also features a storage drawer and towel bars on both sides. All 4 legs have adjustable levelers for uneven floor surfaces.
